Hope the above is not too undecipherable. Room was cramped and my typing is not the best. I'll try to get these out a little more regularly. Bill Vermillion - WLUF

****NOTE - JULY 2007 - the above was on an 8.5"x14" sheet and it was really cramped to get the top 95 for the year into the list. Extreme abbreviations were used, and I didn't expand them for this, except where there was enough room in the 3 columns. And the mimeo of this list was faded and very hard to scan in. Took a LOT of retyping to meke it readable. I hope you appreciate it. Bill
